

## Enhanced Troop Campout

### Program Information

We want to take this opportunity to say “Thank You” for choosing to attend Camp Durant’s Enhanced Troop Campout. What is shown here is the minimum that will be offered every weekend. Program for this event has the possibility to change a little every weekend as we are having volunteers offer to instruct different merit badge sessions.

We will be allotting each Troop a number of slots in each Merit Badge session. This will be based on a percentage of Scouts that are brought by each troop in relation to the number of Scouts in camp. Should you need more slots, you will be able to speak with other Scoutmasters at the Leader’s Meeting on Friday night. We are having to limit each session to meet the ratio of Scouts to staff per National standards and to meet guidelines and restrictions from the CDC and local authorities. Please keep in mind that this may change, should we get different guidance from the CDC and local authorities.
